

# Share the learning with the **NEW UPDATE** Subscription Service

Each **UPDATE** issue features information about a specific area of school business management. Sharing this information with your school board or other administrators is a great way to help them build a better understanding of all that you do and keep updated on what's happening in the profession!

Have additional copies of the **UPDATE** sent to you through the following subscription options:

**One additional copy: \$12 per issue or \$48 annually. Five or more additional copies: \$10 per issue or \$40 annually**
