As a service to members, NEAR is offering a 2016 Annual Dues payment plan arrangement (Arrangement) for REALTOR® members. Arrangement shall be made under the terms and conditions below, which shall be binding upon and represent fully the entire agreement between the parties.

By my signature below I indicate my understanding that my annual REALTOR® Association dues in the amount of \$581 are due and payable in full before January 1, 2016. I hereby request that I be allowed to remain an active member of The Northeast Association of REALTORS®, Inc. (NEAR) by making a partial payment of \$155.25 by December 15, 2015, which I understand includes a \$40 processing fee. I agree to pay the remaining balance due in three equal monthly payments of \$155.25, by authorizing NEAR to charge the credit card/debit card account listed below on or about the 15th day of each month beginning January 15, 2016, until the balance has been paid in full. I further understand that, in the event the remaining payments are not timely received or a credit/debit card charge is denied for any reason, I will also owe the \$49 dues late fee, in addition to my dues and any processing fees already incurred. I accept responsibility for keeping the credit card information below up-to-date, so that the automatic charges can be made in accordance with this agreement. I further understand that by entering into this Arrangement my membership privileges will remain in effect only if the payment schedule is adhered to and my full dues amount and \$40 processing fee is paid. I understand that dues payments are not refundable, either in whole or in part, and that payments made under this Arrangement shall be credited first to the processing fee and local organization dues obligation, and second to the State and National organizations.
