## 2014 Promising Futures Golf Tournament

### River's Edge Golf Course | Bend, Oregon

*Wednesday July 23, 2014*

The Promising Futures Annual Charity Golf Tournament has been a great way to kick off our Annual Summer Conference each year. But we wouldn't have had such successful events without generous support from you, our vendors and partners. With that we are asking for donations to stuff players' gift bags and prizes for various team and individual awards. In addition, we also have a full or partial lunch sponsorships and hole sponsorships available.

### Lunch Sponsorship

For lunch, consider a full sponsorship for \$600 or a partial for \$300. We'll provide signage and recognition during lunch to thank you for your support.

### Hole Sponsorships

If you'd like a little extra recognition during the tournament, consider sponsoring a hole. We have three options available.

- Option 1 — \$100, Tee box signage
- Option 2 — \$150, Tee box signage + your company name/logo on the tournament entrance banner.
- Option 3 — \$250, Tee box signage + name/logo on the tournament entrance banner + a table and chairs at one of the holes. With this option you are able to engage with all of the golfers. And if you like play a quick game as they finish the hole. It isn't mandatory, but we encourage you to come up with something fun and memorable. Some examples: card games like blackjack, guessing games with one main prize at the end of the tournament, longest whiffle ball drive, chipping contest, lawn ball throw, or a table with beverages and networking as the players finish the hole.

### Donations

This tournament will have between 52-72 participants. If you are interested in donating an item, contact one of the coordinators. Consider these items:
