KEYNOTE

DAVE WEBER

**I'M SPREAD
SO THIN YOU
CAN SEE
THROUGH ME!**

As the sheer volume of responsibilities and workload in today's education environment has grown, we believe that everyone is being asked to do more, with less, faster, cheaper, and better. There is more on your plate than ever, and at the end of the day you feel further behind than when the day began. How do you maintain a high level of focus throughout a crazy, interrupt driven day? With our "I'm Spread So Thin You Can See Through Me!" program, you spend less time trying to manage your life... and more time living it.

Dave Weber is an internationally recognized speaker, author, and trainer in helping people make progress on purpose...and he has the track record to prove his techniques work. Since 1987, he has spoken to tens of thousands of education clients from all 50 states and some of the best corporations in the U.S.

We've got \$15,000 in scholarships to give away to first time attendees.

Each scholarship is \$500 and covers registration and two nights lodging. If you've never attended the Annual Summer Conference, apply today. 5 are available in each zone and 5 more at large. Entry form at www.oasbo.com.

Oregon School Safety Officers Association Annual Workshop

It Is Better
to Prepare
& Prevent
than Repair &
Repent

New this year, OSSOA's annual workshop is being held during the OASBO conference. Feel free to attend any of the sessions that interest you. The only limitation will be size of the room! We hope you will take advantage of the opportunity to learn more about risk management and school safety and take advantage of these subject experts. More information to come!
